Notice of Construction

YONGE STREET ACTIVE TRANSPORTATION FACILITIES BLOOMINGTON ROAD TO INDUSTRIAL PARKWAY SOUTH

Trisan Construction has been contracted by the Town to undertake the construction of active transportation facilities along Yonge Street from Bloomington Road and Industrial Parkway South.

Construction is anticipated to commence in June 2026 and is expected to be completed by summer of 2027.

The project includes the construction of a new multi-use pathway on the west side of Yonge Street and sidewalk on the east side of Yonge Street. Installation of storm sewer infrastructure, and boulevard restoration works is also included. These improvements are intended to enhance connectivity, accessibility, and safety for pedestrians and cyclists along the road corridor.

During construction, residents and businesses may experience temporary lane reductions, traffic delays, and pedestrian route adjustments

Regular working hours are 7:00 am to 7:00 pm Monday to Friday. The Contractor may work on Saturdays depending on project need. We appreciate your patience and cooperation as we undertake this work.

If you have any questions or comments regarding this project, please contact:
