

# Highlights of Existing Services

## Recreation & Culture

- The [Family and Community Support Services](#) (FCSS) program funds preventative social service programs that are accessed by all Edmontonians regardless of their ability or disability
- Community and Recreation Facilities adapted programs and [dreamnight at the zoo](#)

# Highlights of Existing Services

## Recreation & Culture

- We offer [Aquatic programs for people with disabilities](#)
- All registered programs for groups may be customized to meet the abilities of persons with disabilities. Program participants may join [dedicated programs for persons with disabilities](#), or choose to register in regularly scheduled programs.
- We have an Inclusion team for summer day camp programs who work to assist with any campers that have specific needs.

# Highlights of Existing Services

## Recreation & Culture

- Financial assistance available through the [Leisure Access Program](#) and Caregiver admission fee waiver
- Most of our new recreation facilities have zero depth pool entry. Older facilities have lifts or are being retrofitted
