November 2026

ATTENTION RESIDENTS

Departure Bay Pump Station and Forcemain Expansion Project

CONSTRUCTION NOTICE

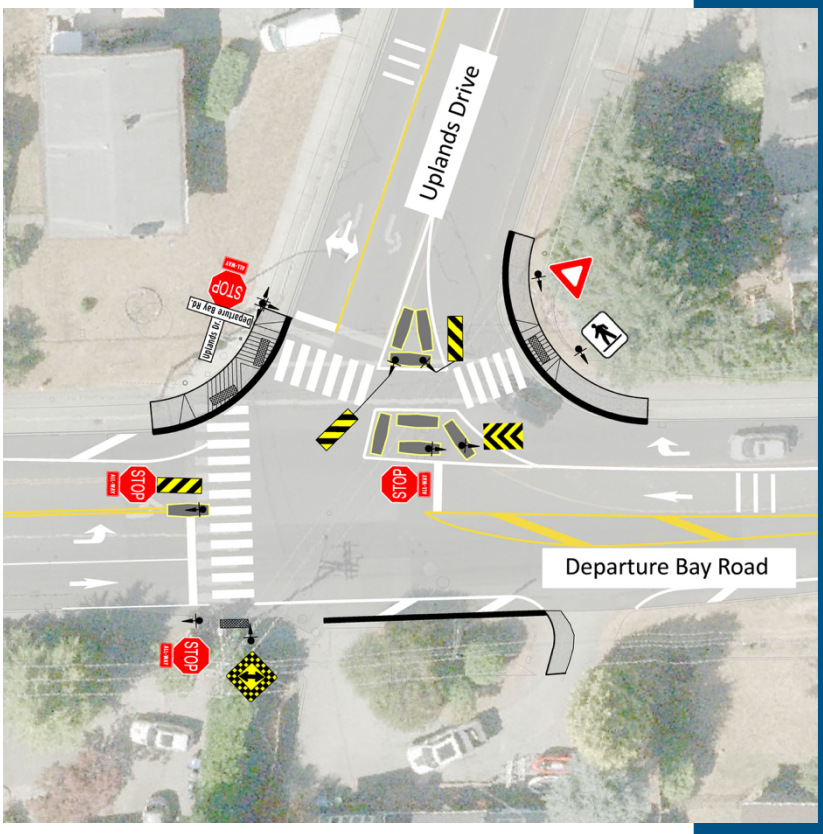

Intersection changes will be taking place this fall in preparation for the Departure Bay Pump Station and Forcemain Expansion Project, which is scheduled to begin in 2027. These intersection changes are being completed in advance to help accommodate increased traffic and support traffic flow.

When: Late November – Late December
Where: Departure Bay Road and Uplands Drive Intersection
Changes: Intersection will change to an all-way stop

What you can expect:

Crews and equipment will be working in the area; drivers may experience delays.

- The intersection at Uplands Drive and Departure Bay Road will change from a one-way stop to an all-way stop.
- New curb extensions and marked crosswalks will be added to the intersection.
- Local property access will be maintained during construction, along with transit and emergency services.
- Traffic control people and signage will be in place throughout the work.

Regional District of Nanaimo
